PURPOSE

This report serves as the official annual appraisal report for the Throckmorton Central Appraisal District, located at 144 N Minter Ave, Throckmorton, TX 76483. This report provides property owners, taxing units, and other interested parties with information concerning the appraisal activities for the year including but not limited to: general information about the appraisal district, taxing entities in Throckmorton County, number and type of accounts the District appraises, market and taxable values, appeals, arbitration and litigation.

GENERAL INFORMATION

Appraisal Districts were formed by the Texas legislature in 1979. Senate Bill 621 required that appraisal districts be established for the purpose of appraising property for ad valorem tax purposes. Appraisal districts (the district) are a local government political subdivision of the state, responsible for appraising property within the boundaries of each county. Prior to the creation of the central appraisal districts, each taxing unit followed their own appraisal standards and practices. Values were inaccurate and inequitable. Property owners were required to visit multiple taxing units to resolve any disputes concerning property values. *The appraisal district is not a taxing entity and does not set tax rates or collect taxes.* Appraisal districts are independent of the taxing entities but are governed by a board of directors which are elected by the taxing entities elected officials.

The Texas Property Tax Code requires that the district be managed by a professional staff with training and education prescribed by the State of Texas and overseen by the Texas Department of Licensing and Regulation. All appraisers must be registered with the TDLR and must complete courses and exams to become a Registered Professional Appraiser and maintain that designation. The Chief appraiser is responsible for managing the District's administrative and appraisal operation. The Board of Directors approves and reviews the budget and expenditures over the course of each fiscal year. Additionally, they appoint the Appraisal Review Board (ARB), Agricultural Advisory Board and the Tax Payer Liaison Officer (if one is required by state statute).

GOVERNANCE

The appraisal district is governed by a Board of Directors whose primary responsibilities include the following:

- ❖ Establish the district's office
- ❖ Appoint the Chief Appraiser
- ❖ Approve the district's budget annually
- ❖ Contract for necessary services
- ❖ Provide advice and consent to the Chief Appraiser concerning the appointment of an Agricultural Advisory Board
- ❖ Approve contracts with appraisal firms to perform appraisal services for the district
- ❖ Other statutory duties

To be eligible to serve on the board of directors, an individual must be a resident of the district and must have resided in the district for at least two years immediately preceding the date of

appointment. Members of the Board of Directors will serve two-year terms beginning in January of even-numbered years.

The Chief Appraiser is the chief administrator of the appraisal district and is appointed by the board of directors. The chief appraiser must be certified as a Registered Professional Appraiser (RPA) through the Texas Department of Licensing and Regulation.

Appraisal Review Board members are appointed by the District Judge. To serve on the ARB, an individual must be a resident of the appraisal district and must have resided in the district for at least two years. The Throckmorton Central Appraisal Review Board (ARB) is responsible by statute for the hearing and determination of taxpayer protests and taxing entity challenges.

Agricultural Advisory Board members are appointed by the Board of Directors at the recommendation of the chief appraiser to aide him in determining typical practices and standards for agricultural activities in the district.

BOARD OF DIRECTORS

The Board of Directors of the Throckmorton Central Appraisal District consists of five voting members. The Directors are elected by all of the Counties, Cities, School Districts and other entities that are allowed to petition to participate in the voting process.

Board members include:

Bobby Mathiews, Chairman

Chase Cook, Secretary

Casey Wells

Terry Redwine

Whitney Waller

Sheriff James K Wigington, Elected Tax Collector

AD VALOREM TAX SYSTEM

The property assessment system is a complex and technical profession vital to the financial health of local government and school districts. The District's principal task is to identify and appraise all

taxable properties within its jurisdiction (the county boundaries), and administer exemptions and special appraisals. The appraisal of properties within the districts jurisdiction collectively creates the tax base that all taxing jurisdictions utilize to collect their revenue for daily operations and public services. The District is funded by the taxing jurisdictions based on the amount of taxes levied in each taxing unit. As required by *The Texas Property Tax Code* appraisal districts appraise all property whether residential, commercial, or business personal property at its fair market value as of January 1st. The District determines the market value of a property using mass appraisal standards and techniques which comply with Uniform Standards of Professional Appraisal Practices (USPAP). The same appraisal methods and techniques shall be used in appraising the same or similar kinds of property. The District employs the services of Thomas Y Pickett, an appraisal firm to appraise all minerals, industrial and oil/gas related facilities, pipelines, industrial personal property and utilities.

TAXING UNITS

The Throckmorton Central Appraisal District is responsible for appraising all properties for each of the 7 taxing jurisdictions that have territory located within the approximately 900 square miles of Throckmorton County. Following are those taxing jurisdictions with territory located in the district.

Counties:

Throckmorton County

Cities:

City of Throckmorton

School Districts:

Woodson ISD*

Munday CISD*

Olney ISD*

*These entities overlap into adjoining counties and only the portion of these districts located within the boundaries of Throckmorton County are appraised by this district.
